March 12th 2019: Maintaining Your Sex Machine

Your body is by far the best sex machine you own. How well are you caring for it? Are you keeping yourself as tuned up and lubricated as you are your car? What happens to your sex when you are without a partner? Do you let it go? Deny yourself sexual pleasure? Find out from the doctors all the health reasons you will want to take even better care of your sex machine... your body - then perhaps you will be ready to handle another machine like a Sybian ;-)
