Featured Guest

Ashlie Crewe-Campitella

Ashlie Crewe-Campitella is a pelvic health physical therapist who specializes in the treatment of pelvic pain disorders and sexual dysfunction. She is a board certified specialist in her field and sees patients of all ages and genders. She is working to make accurate, inclusive, and affirming pelvic health education available to both clinicians and nonclinicians her community, with special focus on reaching college students as well as members of conservative communities and congregations in her area. She is passionate about the multidisciplinary care of persistent pain conditions, and eager to work with experts in all fields of study to better help her patients have painfree and fulfilling s
